## Specification Sheet

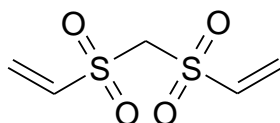

Record# S0002136  
Created Date: Aug. 30, 2002  
Created by: Wang Jie  
Last Update: Oct. 26, 2021

**Product Name:** Bis(vinylsulfonyl)methane

**DSL Nr:** C002136

**CAS:** 3278-22-6

**Structural Formula:**

**Specification:**

|                 |                          |
|-----------------|--------------------------|
| Appearance      | White crystalline powder |
| Purity by HPLC  | 98.0% min                |
| M.P.            | 58.0-63.0 °C             |
| Volatile Matter | 1.0% max                 |
| Solubility      | Clear                    |

**Packing:** in fiber drum or carton.
