

## Sasol appoints Lintech International, LLC as its Inks, Paints and Coatings Distribution Partner for the United States

HOUSTON, TX and MACON, GA, June 26, 2018 – Sasol’s Performance Chemicals Division signed an exclusive agreement with Lintech International, LLC, a leading National Distributor of Specialty Chemicals, to manage its portfolio of Industrial Waxes for the Inks, Paints, Coatings and select Adhesive markets. The agreement became effective on June 1<sup>st</sup>. The product portfolio includes Fischer-Tropsch, Paraffin and Microcrystalline waxes along with Petroleum Jellies.

“Lintech’s strong presence across the U.S. in the Coatings and Inks markets, along with its technical sales organization supported by an extensive distribution infrastructure, enables us to strategically align our resources to grow our target markets,” stated Jeanine Snyder, Market Development Manager Industrial Wax, Sasol.

“We are very pleased with the opportunity to form this partnership with Sasol.” commented Chuck Churn, Director of Principal Relations, Lintech. He added, “Combining Sasol’s excellent brand and portfolio of products with our technical knowledge and customer base will lead to new business opportunities and overall growth for both companies.”

Lintech International, LLC is a leading national specialty chemical distributor of resins, monomers, additives, pigments and performance minerals. Since 1983, Lintech has partnered with world-class suppliers to meet the needs of customers in a wide variety of markets including coatings, inks, plastics, rubber, adhesives and composites. Lintech is ISO 9001:2015 certified, a proud member of NACD Responsible Distribution®, and C-TPAT verified through U.S. Customs for a secure international supply chain.
